RICOD

Results Study findings suggest that foreign aid for the provision of MCH services in Nepal is channeled increasingly to its beneficiaries, not through the Government system, but rather via various intermediary organisations, employing branding and bidding processes.

RICOD

The paper raises an important question as to whether the current mechanisms of channeling foreign aid in the MCH sector, via intermediary organisations, can actually be cost-effective, given the complex bureaucratic processes involved. He is the author of Crossing the Border to India: Youth, Migration and Masculinities in Nepal Temple University Press, 2018.

What is an NGO (Non

The market for aid: understanding aid by looking forward and looking back. At this time we systematically discussed all data gathered from each of our case study projects, including KIIs in detail.

New forms of development: branding innovative ideas and bidding for foreign aid in the maternal and child health service in Nepal

Moreover, the Social Welfare Council is supposed to work directly with foreign CSOs, but some CSOs work directly with other line ministries. The vacuum of democratic movement was filled in by the NGO Federation, human rights organizations, and natural resource management networks, as well as women, indigenous people, and other marginalized groups throughout the country.

Governance struggles and policy processes in disaster risk reduction: A case study from Nepal

Eligible and interested candidates are requested to submit an application letter along with updated CV to SAHAMATI no later than 17th November

2020 Clearly Mention Application for the post in subject Line.

Institutional and technological innovation: Understanding agricultural adaptation to climate change in Nepal

ISER-N implements a three-pronged approach that interlinks research, capacity building, and policy and program interventions as part of the effort to turn knowledge into practice.

RICOD

Hence, the existence of a genuinely enabling legal framework will encourage such social institutions to have formal and legal identity and become more effective.

International Development Studies + Global Studies (int)

Local government has the wherewithal to facilitate participatory democracy and connect citizens directly to issues that affect them, such as poverty reduction and better access to services ;.
