al

According to The Week, experts argue that it is a key aim of the group to secure sole use of names which imply statehood and an Islamic faith, for purposes of.

**Holdings: Dawlat al**

The AP's guide is used by many media organisations. It does not uppercase acronyms. The acronym was reportedly first used by supporters of Syrian President.

al

The literal translation of their previous name resulted in confusion, resulting in both ISIS and ISIL, two acronyms based on different literal translations of the name into.

al

Writing in , assistant secretary general of the Muslim Council of Britain, , argued that daesh is preferable to allowing the group to be able to use its preferred name, pointing out there were various inconsistencies in the BBC's and other outlets choice not to translate the names of other groups, and pointing out that is also an unofficial pejorative name. The group's adoption of the name Islamic State led to controversy due to the inference that it represented the or was a , leading to outlets choosing to retain the acronyms ISIS or ISIL, or using qualifiers on the new name.

**Holdings: Dawlat al**

Consistent with National Security Presidential Memorandum-3 of January 28, 2017, 'Plan to Defeat the Islamic State of Iraq and Syria,' and guidance from the Secretary of Defense, the Department of Defense will use the term Islamic State of Iraq and Syria, or ISIS, when referring to this threat. This was to disassociate the group from the ANF , as a result of the rift between the two groups. The approach has been the same as Arab states.

**Holdings: Dawlat al**

The under Prime Minister adopted Daesh in January 2015. The rendering of the Arabic name in English varies, due to imprecise translation.
