Science/Pseudoscience Bibliography

She worries that Mr Global is moving as fast as possible to put an end to cash and make us into slaves. Now he's back, not just to mourn his father at a distance, but to take charge of his first major case in the Two Rivers region; a complex place not quite as idyllic as tourists suppose. On one hand, Ginny compares her sausages to a lethal weapon, which are to kill her sister, but on the other hand she compares the situation to baking a birthday cake for someone.
