## St Mary of the Angels, Wellington

His first experience with photography came with helping his older brother print picture postcards for a local politician. Individual pages signify the copyright for the content on that page.

## The Architects

Clere came to New Zealand in 1877, practising first in Feilding and then in Wanganui. .

## Frederick de Jersey Clere

Washington, US: University of Washington Press. There are some vaguely interesting angles on the sliding screens and balconies, but otherwise this pair of unimaginative eleven-storey rectangles is grindingly dull and completely out of place.

## WellUrban: Wrong building, wrong place

Other examples in the east include the late 19th century , constructed on the orders of the and designed by the Catholic missionary and architect ; and the in the in , by the Italian. July 2020: the university presented its plans for the site, which includes renovating the Maclean Flats but demolishing Gordon Wilson Flats. The church was used by as his 1936—1954.

## Fay S. Lincoln Photograph Collection, 1920

Though these projects were never realised, they influenced several generations of designers and architects, notably in Spain and, in England, , Viollet's foremost English follower and translator, whose masterpiece was. In his private life he was a volunteer and rose to the rank of Captain in the Central London Rangers 40th Middlesex RV Gray's Inn.

## **The Architects**

Collegiate Gothic The Cathedral of Learning, University of Pittsburgh In the United States, Collegiate Gothic was a late and literal resurgence of the English Gothic Revival, adapted for American university campuses. In Indonesia, the former colony of the Dutch East Indies , the Jakarta Cathedral was begun in 1891 and completed in 1901 by Dutch architect Antonius Dijkmans; while further north in the islands of the Philippines, the San Sebastian Church, designed by architects Genaro Palacios and Gustave Eiffel and was consecrated in 1891 in the still Spanish colony.
