11 Enchanting Mythological Figures Across Africa

In Dahomey folklore, she is the mother of millions of stars. And are you looking for a captivating collection of myths from different African countries? Gone are the good old days; you can not trust a hippo with a baby in 2015, not in Mozambique and not anywhere else. Anubis, the guardian of the dead, is one of the most well-known gods.

African Folktales — Anike Foundation

We hope you love our recommendations for products and services! African Goddesses in mythology such as Menhit are widely worshipped. Attempts to regain contact with their God by building a heavenly ladder are the subject of many an unhappy legend.

African Folktales — Anike Foundation

In essence, most religious rituals and traditions of the native African religions are centered around the well-being of the family unit and community, rather than on people forcing their lives into a certain religious doctrine. GODCHECKER: 20 YEARS OF MYTHOLOGY WITH A TWIST
