medicine, astronomy, mathematics, physics, and chemistry.

## Rugăciune la vreme de neaz

. A Domnului este mântuirea, și peste tot poporul Tau binecuvântarea Ta.

## History (USSR)

Large tracts of land were concentrated in the hands of the landowning elite, and part of the rural population became dependent. In 926, Pohai was conquered by the Khitans.

## RTV 4D

The government of Peter I returned to the German landlords the estates that Sweden had confiscated in the late 17th century under the policy of reduction. Feudalism did not develop at the same time or at the same rate among all peoples and in all regions: it arose in the first half of the first millennium A. Peter I surrounded himself with an array of talented associates, who included men of nonaristocratic origin as well as persons of noble birth; among these associates were B.

## **History (USSR)**

In the late 15th century Ottoman troops invaded Moldavia.
