Suzanne Waldman. The Demon and the Damozel: Dynam...

She was educated at home by her mother.

Dante Gabriel Rossetti

A prodigy, he began studying at the Royal Academy at the age of 11. How do you present critical appreciations or your individual responses to literary texts composed in different forms and in different periods and cultures? He is also, as Martens persuasively demonstrates, a poet of complex contradictions and an illuminating case study for addressing the perennial issues of voice, authorial authority and self-reference.
