## Death, Dying and Bereavement Certificate

Money is tight, depression never far away. It was very much to the point, rather than long and wordy, and I felt the information was well set out and accessible.

## On Death and Dying

Some years ago, I helped tend to a friend of mine who was dying of cancer. I remember the horrible things. If we live long enough, we may very well outlive our life companion.

## How to Prepare for Death of Spouse: 13 Steps

One coping strategy I have is to live my life on a two-month window. And not wanting to wake anyone, she remained in that position until she finally couldn't take it any longer.

## Understanding death and dying

They may want more jolly music or to look through old photos, etc. Instead, working through your grief may give you an opportunity to gain meaning and closure you would otherwise not have. Fear puts us on autopilot and does whatever it wants.

## What my mother's battle with cancer taught me

I am forced to think now what I do.

## Understanding death and dying

Who do you call when you have questions about family, recipes, history, life? Hand over control to a trusted person, someone committed to helping them have the kind of death they desire. If hospice is not involved yet, it is also very helpful.

## **10 Things I Learned From Caring For My Dying Mother**

Then you see the crutches. Thanks to her flute training, she is able to survive on the smallest of breaths.
