I really believe this helps everyone to define who they are and its all extremely interesting to explore each part.

ENGL 101 Course Blog: Reflective Response to (Unit One, pgs. 15

The Eighth Amendment to the United States Constitution is the key constitutional provision in capital cases; thus, in the main, we discuss here the Eighth Amendment principles developed by the Supreme Court in the modern era of capital punishment post-1972. These selections, written by authors of different ethnic and social backgrounds, lead students from a consideration of the self to how the self interacts with other people and situations. Soto tells the story of how an ugly green jacket affected his life.
