At the moment only the exhibition based in Japan is available for loan to libraries in all countries wishing to exhibit them. Not only does this story creatively weave Chinese New Year food traditions into the narrative, it also incorporates illustrations of real landmarks like the Oriental Pearl Tower, Huxinting Teahouse, and views of the Shanghai skyline for a fun and educational read.

Scribble Street News: The Picture Book World Cup

The aim of The-World-Through-Picture-Books programme is to create an annotated list of picture books from around the world, recommended by librarians.

16 Kids' Books to Inspire Them to Explore the World

The response from librarians — as well as from authors and publishers on the lists - has been very positive.

play.fridaynightfunk.rf.gd: The World Awaits: The second inspiring picture book from the bestselling creators of The Great Realisation (9780008498924): Roberts (Tomfoolery), Tomos: Books

The initial groups were age-graded, so the Group 1 books, which were voted on by Reception class, were chosen to appeal to slightly younger readers than the Group 2 books which were voted on by Years 1 and 2. Discount available to First Responders, Healthcare Professionals, and K-12 Teachers. What makes this even more special is that Sammie is a kid! Congratulations Sammie and all involved in making this wonderful book.
