Difference Between Czechoslovakia and Czech Republic

The pace of Slovak economic growth has continued to exceed that of Czech growth to the present day 2003.

History of Czechoslovakia

The Third Reich in Power, 1933 - 1939: How the Nazis Won Over the Hearts and Minds of a Nation. On the 23 August 1939, the Molotov-Ribbentrop Non-Aggression Pact also known as the Nazi-Soviet Pact between Nazi Germany and the Soviet Union was announced. Britain especially had began preparing for war following the German invasion of Czechoslovakia in March 1939.

Soviets invade Czechoslovakia

That afternoon, the council met to hear the Czechoslovak Ambassador denounce the invasion. Today, the two countries share 815 km of common borders. When the Nazis came to power in 1933, Germany was economically and militarily weak.

History of Czechoslovakia

Poland and the Czech Republic have ties in many sectors such as economic development and infrastructural development.
