Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

Volume 4 describes problems of parenting as well as the promotion of positive parenting practices. It encompasses essential policy and professional issues in all the main areas of current concern from parenting in culturally divergent settings, to parenting children with special needs in areas of physical, mental, social and educational functioning, to looking at ways in which the wider community and technological advances may be able to provide parenting support. Long continues to be actively involved in conducting parenting classes, having taught an average of 600 parents per year in parenting classes over the past 15 years.

Handbook of Parenting: Theory and Research for Practice

Completely revised and expanded from four to five volumes, this new edition of the Handbook of Parenting appears at a time that is momentous in the history of parenting.

Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

Academics, researchers, practitioners and advanced students in a host of disciplines will gain from its breadth, wealth of information and enormous insight into the principal issues related to parenting theory and practice in the 21st century. Each chapter addresses a different but central topic in parenting; each is rooted in current thinking and theory, as well as classical and modern research in that topic; each has been written to be read and absorbed in a single sitting.

Handbook of Parenting: Volume 5: Practical Issues in Parenting, Second Edition

Contributions are presented from an internationally renowned group of scholars known for their work in a range of disciplines, including child and family psychology, education and family studies, providing an accessible map of the major debates in theory, research and practice in this important and exciting field. One-year follow-up data from the Parents Matter study indicates that parents participating in the prevention intervention, relative to the control intervention, demonstrated increased parent-pre-adolescent sexual communication and improved parent comfort with and responsiveness to sex-related questions. Long has also developed, evaluated, and disseminated various parenting programs.

He is the author of *Troubled and Troublesome* 1978 and *The Delinquent* 1983 and co-author of *Assessing Problem Children* 1980 and *Treating Problem Children* 1988.

Handbook of Parenting: Theory and Research for Practice

All chapters follow a standard organization including an introduction to the chapter as a whole followed by historical considerations of the topic, a discussion of central issues and theory, a review of classic and modern research, forecasts of future directions for theory and research, and a conclusion. Volume 2 relates parenting to its biological roots and sets parenting in its ecological framework. Masud Hoghughli is Director of Aycliffe Centre for Children, County Durham and Honorary Professor of Psychology, University of Hull.

Handbook of Parenting: Volume I: Children and Parenting

Contributors to the *Handbook of Parenting* have worked in different ways toward understanding all these diverse aspects of parenting, and all look to the most recent research and thinking in the field to shed light on many topics every parent wonders about.
