### 6 Healthcare Benefits Trends of 2020

Yet, for as valuable as they are, hospitals are falling short in managing their EHRs. Source: United States Department of Agriculture Fechner A, Fenske K, Jahreis G. And the trend will continue through the year.

### 2021 employee benefit trends to watch

Looking ahead, employers are doubling down on benefits programs that support their employees holistically, foster a strong company culture, boost productivity, and mitigate costs. Presenting a broader array of options that address employees' needs during all stages of life is becoming critical, he said. At a time when it has never been more important for employers to keep a close eye on the health of their employees and support them in every way possible, there will be plenty of challenges regarding healthcare benefits in the year ahead, including a rise in COBRA eligibility.

### Employee Benefit Trends Study 2020

Equity compensation and the experience it creates for employees can go a long way in generating a culture of collaboration, innovation, and resilience—essential qualities that help companies overcome challenges and bounce back stronger than before.

### Employee Benefits Trends for 2021

Startups are already jumping on this opportunity; the number of active AI startups has increased.

### 5 trends impacting fertility and family planning benefits this open enrollment

And, these millennials are coming into the workforce with more and more student loan debt. Keeping up with workplace trends can be tough for an overburdened HR staff.
