Illustrated Handbook of Vernacular Architecture by R.W. Brunskill

A new edition of the classic illustrated handbook on vernacular architecture, fully updated, with 24 pages of additional illustrations and text. Vernacular houses are compared to their larger polite counterparts and english houses are placed in the wider context of the british isles and the atlantic world beyond the result is a dynamic compelling account of the development of houses in the english countryside and through this a portrait of changing patterns of social life from

Illustrated Handbook of Vernacular... book by R.W. Brunskill

This is a very interesting book and I would especially recommend it to people interested in American colonial architecture. Used items may not include supplementary materials such as CDs or access codes.

9780571112449

Minimal damage to the book cover eg.

Illustrated handbook of vernacular architecture : Brunskill, R. W : Free Download, Borrow, and Streaming : Internet Archive
