Lingas were found in Pinagbayanan, and there are also the possible cases of Linga and yoni from Magsingal, Ilocos Sur. Apart from the importance of these regions in themselves, the study of Indian civilization must be regarded imperfect as long as the achievements of Indians and local people who imbibed Indian culture in the Far East, are not taken into account.

So far as we can judge from the analogy of similar events and the few facts that present themselves to us, the result of the conflict seems to be, that the original inhabitants were partly exterminated, partly incorporated with the new-comers, and partly pushed back to hills and jungles where some of them maintain a precarious existence up to the present day. This body was given charter.
