One problem is whether they are still members of the working class in so doing, and if not, whether they are betraying their families of origin by a rise to middle class status. To what extent do the social sciences conform to this ideal? Yet, feminists such as Voltairine de Cleyre and Margaret Sanger were still active in campaigning for women's sexual, reproductive, and economic rights at this time. Politicians have engaged in partisan Twitter wars that have further divided Republicans and Democrats, conservatives and liberals.
