## The Cambridge History of Japan series

Therefore, the phenomenon of the internationalization of economics or the Americanization of economics was not the distribution of the economics made by Americans but the dissemination of new knowledge by way of the United States. In the Edo period, these households were known as the Yakushi-ya, the Shima-ya, and the Daidai-ya. Even so, they were the lucky ones - luckier by far than those 175 of their peers who lost all or part of their domains during the first half of the seventeenth century.

## Minka in English

However, the study of agriculture and rural problems had been largely ignored from the viewpoint of social science Bulletin, J, 1974:50; 1980:47. However, the interests of daimyo like the Go-Hojo were not limited to divination but also encompassed Confucian teachings about morality and government.
