And that their attention is often divided.

A World Of Trouble: The White House and... book by Patrick Tyler

Narrator Michael Prichard handles the international vocabulary with aplomb.

Listen to A World of Trouble Audiobook by Patrick Tyler

In this epic, remarkably readable history of U. He takes us into the Oval Office and

shows how our leaders made momentous decisions; at the same time, the sweep of this narrative--from the Suez crisis to the Iran hostage crisis to George W.

9780374532000: A World of Trouble: The White House and the Middle East

And that they often have Patrick Tyler, who's been a journalist for The Washington Post and The New York Times examines how eight presidents, from Eisenhower to George W. But it was not always so--and as Patrick Tyler shows in A World of Trouble, a thrilling chronicle of American misadventures in the region. It is a sweeping history that tells the story in a coherent form for those of us Americans who have only ever encountered it in bits and pieces from internet, video and print media.

Book Discussion: A World of Trouble: The White House and the Middle East—from the Cold War to the War on Terror

We personally assess every book's quality and offer rare, out-of-print treasures.

9780374532000: A World of Trouble: The White House and the Middle East

If you read only the opening chapter, you will know more about the personality and character of George Tenet than any other reporting has offered. The relationship btw USA and Israel is revelatory and shocking.

Nonfiction Book Review: A World of Trouble: The White House and the Middle East—from the Cold War to the War on Terror by Patrick Tyler, Author . Farrar, Straus & Giroux \$27 (628p) ISBN 978

His ability to turn laborious historical narrative into nuanced, comfortable sentences makes the story easy to follow and remember. If you worry more about getting re-elected than doing the best thing, you will most likely not do the best thing, and that became very clear throughout the course of this book. What's interesting is seeing the many different ways that these truisms have manifested themselves.
