### A History of Jewellery 1100

. But relying almost solely on text when writing of something as visual as jewellery is somewhat dry. Firstly, with the unaided eye you may be able to see that the colour of the stone is concentrated at the base as you look through the side of the stone.

**0486261220**

This study explores the relationship between jewellery, modernism and modernity from the 'jazz age' to the second world war in order to challenge the view that these portable art forms have only a minor role to play in histories of modernism.
