## Cultural policy reviews: List of national reviews

The Deputies also approved terms of reference of the Group of Experts on Reservations to International Treaties DI-E-RIT, in the framework of the operation of the CAHDI as a European observatory of reservations to multilateral treaties: - to examine reservations and interpretative declaration to multilateral treaties of significant importance to the international community; - to bring to the attention of the members of the CAHDI those reservations and interpretative declarations which raise issues as to their admissibility from the point of view of international law and in particular from the human rights perspective; - to prepare reports concerning the admissibility of the above-mentioned reservations and interpretative declarations for the attention of the members of the CAHDI. Today there are more than 150,000 descendants of Croatian heritage in the Chicagoland area, and many of the foundations built by the forefathers continue to service the community. Country participation is subject to annual funding allocation.

## Cultural policy reviews: List of national reviews

In October the Deputies, in accordance with Rule 32, paragraph 2 of Resolution 97 10, authorised the Advisory Committee, in the context of its consideration of the State Report submitted by Hungary, to hold meetings with relevant non-governmental bodies and independent institutions. The participants received lecturers on a broad range of topics concerning the work of the Council of Europe, attended hearings before the European Court of Human Rights and pursued individual research and contacts.

## Cultural Policy Resources in South East Europe

Misha Glenny provides an account of the last two centuries of Balkan history but in a highly contemporary key, Tim Judah continues his study of Serbian politics with a judicious account of the Kosovo issue, and Michael Ignatieff offers his own version of what the NATO action in Kosovo meant in the annals of modern warfare.
