CATHOLIC ENCYCLOPEDIA: Moral Theology

How new Christianity was, the themselves showed by putting its to death and persecuting His adherents. At the council Paul took the position that the death and resurrection of Christ freed people from Jewish law. Thomas, yet at the same time made use of a certain eclectic freedom which seemed to be warranted by the circumstances of the times.

History and usage of the term 'cult'

The height to which love lifts us in unutterable. The confusion, I think, is do in part to your misreading what I wrote, and not listening to Ehrmans own words.

What is Christian Ethics?

The actual fulfilment of such penances is not essential to the validity of the sacrament, but belongs rather to its integrity.

What is Theology & Why is it Important to Understand?

Owing to his unusually solid education in theology, his extensive knowledge of the and of the , he is the link which joins the patristic with the medieval history of theology. But what he said is perfectly correct. Though the definitions of Nice and of the subsequent councils, especially of the Fourth Lateran, deal directly with the doctrine concerning the Most Holy , still they also teach that the Word is consubstantial with the Father and the , and thus establish the Divinity of, the Word incarnate.

History and usage of the term 'cult'

The Council of Jerusalem In the year 49 Paul traveled back to Jerusalem, where he met with leaders of the Christian Church, including Peter, James, and another apostle, died c. Even a pagan henotheist acknowledged gods other than their own, though focused their devotion on their god of choice. Now maybe I am wrong you are not adding the criteria which would stack the deck by defining historical analysis in such as way that it

will never provide evidence of a miracle.

Cardinal Doctrines: the Non

Many of these groups use the Protestant version of the Bible and typically interpret it in a fundamentalist fashion, adding, however, special prophecy or scriptures, and typically denying the trinity and the full deity of Jesus Christ.

Saint Paul

A leading evangelical authority on the subject and a staunch defender of orthodoxy, Martin laid out his definition of cultism as follows: By cultism we mean the adherence to doctrines which are pointedly contradictory to orthodox Christianity and which claim the distinction of either tracing their origin to orthodoxy sources or of being in essential harmony with those sources. According to rabbinical authorities, mankind consisted of body and soul, the former composed of dust, the other descended from God.

The Cardinal Doctrines of Christianity

I actually thought you were a bit more sophisticated than,..... Bart Ehrman, good, Dan Wallace, bad. To the best of my knowledge, Frazer was a serious scholar and no crank, but most scholars of comparative mythology today with the exception of Tryggve Mettinger have abandoned the idea of a dying and rising god. When we pray, we pray, not to an assemblage of notions or to a creed, but to One Individual Being; and when we speak of Him, we speak of a Person, not of a Law or Manifestation.
