Capacity Building

The program began in response to the serious conditions created by the influx of refugees from Angola, Burundi, the , and Rwanda, with the great majority of the refugees being Angolans, the camp catered to 18,000 refugees by the end of the year.

Eroding Local Capacity International Humanitarian Action In Africa PDF Book

I would like them to come, but they have sent me a message that they have no money to come here. What lessons for the humanitarian community? ANC , pre- and post-natal care, family planning, and monitoring of GBV activities were conducted throughout this period via both static and outreach service delivery points.

Localisation of aid through the lens of Covid

The total number of refugees and IDPs was 23,000 and 464,000 respectively. AHA was also able to increase its corporate staff resources and enhance the perception of the organization. Capacity building strengthens the ability of the humanitarian sector to provide aid effectively.

Humanitarian aid

In addition, AHA was responsible for the erection and management of shelters at the Boklomayo and Melkadida refugee camps in the Somali region of Eastern Ethiopia.

Humanitarian aid

Refugees from the Great Lakes region who seek refuge in neighboring countries are increasingly being subjected to arbitrary mistreatment by host governments that previously welcomed them. Many of these refugees had lived peacefully on integrated settlements allocated to them by the Tanzanian government as far back as the 1970s.

In 2004, AHA continued its health and social programmes for refugees and returnees in Angola, Burundi, Congo DR , the , Liberia, Namibia, and Ethiopia. At the end of the year, AHA also started training a selected group of refugees in the health and sectors.

Humanitarian aid

More than four years after the issue of internal displacement was taken off the agenda in Rwanda, conditions in the villages inhabited by the resettled IDPs call for renewed attention. In past years, an increasing number of human rights activists have been forced to flee their country because of their work. An archipelago calling upon its own human resources Today, more than six months into the post-Harold recovery, with a new cyclone season on the horizon, the situation remains challenging for Vanuatu due to its closed borders and the scarcity of flights.
