### What does it mean to be a faith based organization?

As Christians experienced Holy Week 2020, the week commemorating the trial, suffering, and death of Jesus, the somber tone such remembrances evoke took on new meaning in the midst of the COVID-19 epidemic with the catastrophic loss of life and livelihoods. Through their bold actions they are calling attention to the growing numbers of people in our nation who go hungry every day. Nonetheless, there is still a lot that FBOs could do in the fight against AIDS — e.

### What does it mean to be a faith based organization?

The vast majority provide social services to their community, 98% of them in collaboration with at least one local partner serving as a conduit for their attendees to give and volunteer for causes inside and outside the congregation. Nonetheless, the need for such coordination is urgent given the unfolding pandemic, whose impacts are likely to be with us for some time. Thus, the decision to be an FBO may depend more on whether the primary purpose or activities of the organization are religious or religiously motivated than on any advantages or disadvantages associated with such a label.

### Faith Based Organizations

However, to date, government efforts to address the epidemic have fallen short of the levels needed to provide effective prevention and widespread access to treatment. Government information and does not represent the views or positions of the U. Their facilities focus on primary care and operate in rural, under-served areas, charging affordable user fees, while also treating those who cannot pay.

The Faith Communities Project continues, with the guidance of community faith representatives, to foster regional partnerships, support information sharing, and identify resources to further HIV prevention and health care efforts in New York State. They have long received government funding

for their work in the form of subsidies, grants, tax exemptions, and contracts. .

## **The Surprising Financial Strength of American Congregations: 2020 Issues: Insights Newsletter: News & Events: Lilly Family School of Philanthropy: IUPUI**

The study identifies several areas in which FBOs might enhance their involvement, including provision of care and support services for HIV patients, stigma reduction within the faith community, and advocacy.

### **Faith Based Organizations**

The needs being addressed by Seeds of Hope and other faith-based organizations—avoiding a tradeoff between paying rent and putting food on the table—will only become more dire during COVID-19, particularly in places like Los Angeles already facing a housing affordability crisis. What we know in practice is that religious identity is rarely static. The information is scrambled en route and decoded once it reaches our website.
