Gupta, Mathematical Methods in Chemical and Environmental Engineering, Cengage Learning, Singapore, 2004, 689 pages.

Santosha

The children of Mrityu were Vyādhi disease , Jarā decay , Soka sorrow , Trishña greediness , and Krodha wrath. Then again the highest contentment Santosha rests upon Emancipation, which is absolute, which exists as the Soul of all mortal and immortal things, which is well-known as Universal Soul, which is the highest object of knowledge, which is everywhere, which is in everyone and everything, which is full, which is perfect intense happiness, which is without duality, which is the foremost of all things, which is , which is Unmanifest and the Cause also, from which the Unmanifest has sprung, and which never deteriorates.

our staff — Santosha School

If you can succeed in making one of these a friend, then the others will be easy.
