Year 3 & 4 Home Learning

As with all our home learning resources, answers are also included.

Year 4 Maths Worksheets

On receipt of your order you will be sent a unique download link. Third Space Learning exists to give schools and teachers the means to help children learn and progress in KS1 and KS2 maths with interventions, teaching resources and maths packs.

Maths

The teacher can ask those watching questions and they can think about other ways that the task could be organised.

Maths

Team members take it in turn to cross the river. Record the numbers they start and end with. Children jump, tap, clap, click etc.

KS2: Maths Worksheets

I do wish you were around then, as your content is fantastic and my little boy looks forward to your daily worksheets.

MathSphere Free Sample Maths Worksheets

Learning at Home Packs for English Watch Ruth's video tips for parents on and. The packs provided below are all free for home usage. The contents of which can be viewed via the 'Maths Pack' menu or the links below.
