Youth Report: What the Future of Work Looks Like in Canadian Cities

A resilient population with strong coping skills and social supports may matter more than ever. Shane Getson, MLA, Lac Ste. With respect to the common law defence of de minimis, an appropriate expansion in the use of that defence would assist in ensuring that trivial, technical violations of the assault provisions of the do not attract criminal sanctions.

Report of the APA Task Force on the Sexualization of Girls

It can be invoked only in cases of non-consensual application of force that results neither in harm nor in the prospect of bodily harm. By lifting so many children out of poverty, the Government is breaking down a systemic barrier to success for hundreds of thousands of young Canadians, and building a strong foundation for generations to come. Such improvements to post-secondary infrastructure can benefit student learning experiences and improve the quality of education and learning environments.

Task force proposes technology, innovation to grow B.C.'s agriculture sector

Therefore, I would suggest temporary suspensions of invalidity should generally be confined to only those circumstances where it is required by the potential impact and consequences of an immediate declaration of invalidity. During his presidency, NAIT experienced unprecedented success and growth. On the other hand, the courts have been and continue to be the guardians of common law defences.
