St. Paul in Art

Frustration and Suffering in the life of the Apostle Paul October 1, 2001, Vol.

10. Paul's Imprisonment, Release, and Death (Acts 24)

We find a lot of ethics in Paul. Do you have anything in your life that frustrates you, yet you have no power to do anything about it? But if people still want to resist God, they can do that.

10. Paul's Imprisonment, Release, and Death (Acts 24)

So when Paul goes back to Antioch he seems to think that he's won a major victory in the understanding of what the Christian will be. Paul's an interesting case because he is so able to blend a thoroughly Jewish self consciousness and a thoroughly Jewish interpretation of scripture with a great deal of knowledge of Greek rhetoric and philosophy of standard letter writing and other aspects of Greek culture.

In commenting on their passion for novelty, perhaps Luke was intentionally alluding to a famous speech given by the military leader Cleon to his fellow Athenians during the fifth century BC. Paul has to say it's really the fellowship of the community, the ability to come together that's the important hallmark of the Christian message, and he has to try to show them the way to get back to that ideal.
