Therefore, it cannot be united to it as a substantial form. Sed spiritus non potest esse forma alterius spiritus.

Disputations

His own commitment to that project involved him in contributing to almost all the areas of philosophy recognized since antiquity, omitting only natural philosophy the precursor of natural science. Incomplete translation of two articles on creation. E-text of questions 1—4 with parallel Latin.

Disputations

The Library of Liberal Arts. Therefore a created spiritual substance has matter.

24 Thomistic Theses

Oportet ergo quod in substantia spiritali creata, sit compositio naturae communis, et eius per quod natura communis coarctatur. Et hoc modo substantiae spirituales, in quantum sunt in potentia secundum intellectum et voluntatem, recipiunt aliqua accidentia.

DISPUTED QUESTIONS ON VIRTUE THE HACKETT AQUINAS

So, therefore, it has a two-fold kind of actual being: one in the possible intellect, of which it is the form, and the other in the phantasms from which it is abstracted. Sed forma limitatur per materiam. Ad secundum dicendum quod cum forma perfectissima det omnia quae dant formae

imperfectiores, et adhuc amplius; materia, prout ab ea perficitur eo modo perfectionis quo perficitur a formis imperfectioribus, consideratur ut materia propria, etiam illiusmodi perfectionis quam addit perfectior forma super alias; ita tamen quod non intelligatur haec distinctio in formis secundum essentiam, sed solum secundum intelligibilem rationem.
