The Poets of Windhover Marsh by Murray Andrew Pura

He put it down in fountain pen ink, folded the ivory paper neatly, slipped it into a hole by the front door, and quietly went on his way. Michaels framed all three fragments, what had not been obliterated or damaged by marsh water, and placed them on the walls of The Donkey, The Windhover already hanging over the fire. Too long has the Church groaned under the burden of men who spoke words that were blocks of wood.

They were much more of an association than the poets had been in the 20th century, calling upon everyone to meet at The Donkey seven times a year, and they even had a motto, non verba sed tonitrua, not words but thunderclaps.

Vital Christianity: The Life and Spirituality of William Wilberforce

Let preaching be metaphor and simile and allegory and parable, let sermons rhyme and not rhyme, let there be sprung rhythm and running rhythm and inscape. While it may not be the only answer for bringing peace, theatre should surely be incorporated as an effective tool in peacekeeping missions.
