Construction & Engineering Law 2020

It is employed to decrease the project delivery schedule. Pursuant to Norwegian case law, there is a presumption that a Letter of Intent does not commit the parties to enter into the intended agreement.

EPC and Design

Pursuant to Norwegian case law, an agreement may be legally binding even if the parties have not entered into a written contract. While this is a complicated delivery method, the compressed schedule and value engineering approach often result in cost savings for the owner.
