Backwoods Sweet Aromatic

Any waiver by Canadian Tire of any of these terms and conditions at any time does not mean that Canadian Tire cannot rely on these terms and conditions at any subsequent time. Page 49 This prospect does not discourage me: I know I shall find plenty of occupation within-doors, and I have sources of enjoyment when I walk abroad that will keep me from being dull.

The Backwoods of Canada by Catharine Parr Trill

We have within the last few days emerged from a cold, damp atmosphere, such as we often experience in Britain in the spring, to a delightful summer, moderated by light breezes from the river. There are several vessels lying at anchor close to the shore; one bears the melancholy symbol of disease, the yellow flag; she is a passenger-ship, and has the smallpox and measles among her crew. But they are still too much attached to their wandering habits to become good and industrious settlers.

The Backwoods Craftsman

I would, however, like to note that I personally liked how optimistic and practical she was in her descriptions - a perspective I've heard that her sister Susanna Moodie does not share. The insects are already beginning to be troublesome, particularly the black flies—a wicked-looking fly, with black body and white legs and wings; you do not feel their bite for a few minutes, but are made aware of it by a stream of blood flowing from the wound; after a few hours the part swells and becomes extremely painful. Journey from Cobourg to Amherst.

I am told the juice forms a delicious and highly-flavoured jelly, boiled with sufficient quantity of sugar; the seeds are too large to make any other preparation of them practicable.

The Backwoods Craftsman

She talks about the issues unique to being the first family to settle in an area, and her bravery and love of learning about her new home are obvious. A gay and exciting scene it was.
