. The images were likely either generated or collected by Woolsey during the first and second decades of the twentieth century when he was a student enrolled in Yale University's forestry school or when he was working as a forester for the United States Forest Service. Of course it is true that most of the people in the community cooperate with the Brotherhood and Sisterhood and support them in various other ways.

American Indian Law Collection

Notwithstanding the provisions of any other law to the contrary, public employees, as specified herein, of a local unit or agency thereof. For example, I was told by the man who acted as timekeeper, that when the new Alaska Native Brotherhood hall at Hoonah was being put up early in 1952, one hundred fifty-some-odd men volunteered for labor, turning out in one or the other of the usual three work gangs during the 2 months it took to complete the rough construction. It authorized the Secretary to limit fishing times, places, and equipment in order to conserve fish, but forbade him, in so doing, to create exclusive rights, even in Indians.

Section 14 — Continuation of Present District Boundaries The boundaries of House of Representatives districts and Senate districts from which representatives and senators were elected to the 107th General Assembly shall be the boundaries of House of Representatives and Senate districts until January 1, 1973, and representatives and senators elected in the general election in 1966 shall hold office for the terms to which they were elected. Off, 1940 United States Working Effectively with Tribal Governments 1 v. Such participation may be by grants, loans, or contributions to them for any such capital improvements.

Fisher v. District Court :: 424 U.S. 382 (1976) :: Justia US Supreme Court Center

McGuire Chief, United States Forest Service , and John Courtenay Forest Supervisor, Sam Houston National Forest. The collection consists of correspondence, minutes of meetings, annual and quarterly reports, topical subject files, and publications dating from 1934 to 1962 that were either generated or collected by the organization while it was known as Willamette Valley Tree Farms and later as the Tree Farm Management

Service.

AP United States History Exam Terms Flashcards

How This Case Should Be Decided Before turning to a critique of the majority's reasoning I will state in affirmative form how I think this case should be decided. All surface and subsurface waters reserved to the people for common use, except mineral and medicinal waters, are subject to appropriation.

New Jersey Revised Statutes Title 40a

When obligations are sold by a county, city, town, village or school district at a discount, the debt incurred for the purposes of any debt limitation contained in this constitution, shall be deemed to include only the amount of money actually received by the county, city, town, village or school district, irrespective of the face amount of the obligations.

Metlakatla Indian Community v. Egan :: 369 U.S. 45 (1962) :: Justia US Supreme Court Center

The records contain correspondence and reference files concerning Society administration, elections, and membership; files on forestry education; materials relating to the publication of the Journal of Forestry; timber and forestry conferences; Society committees; surveys of industrial forestry; ethics; surveys of state forestry administration; internal debates; the accreditation of forestry schools; employment in the forestry profession; Society's regional sections and chapters; membership files; and much more.

Organized Village of Kake v. Egan :: 369 U.S. 60 (1962) :: Justia US Supreme Court Center

This, in turn, leads to the erroneous decision in this case.
