My notebook became very messy. When the Borough was abolished in 1965, the Town Hall became redundant. In 1965, when the Metropolitan Boroughs were combined into larger administrative units, Clapham was transferred from the Metropolitan Borough of Wandsworth to the London Borough of Lambeth.

A History of Clapham

Bridges erected across the Thames encouraged growth; , a mile to the west, was built in 1729 and rebuilt 1882, and in the centre of the north boundary in 1771.

I now live in Devon having travelled extensively in the US and Africa sometimes I do stop and think about South Island Place, Hackforth Road and all the streets around but I would not want to go back.

Clapham

It would seem small to us but at the time Clapham was quite a large place - it was larger than many provincial market towns. Clapham in the 18th Century Clapham began to grow in the late 17th century.
