## The Return of Skeleton Man

We're through the town now, passing over a bridge across a little river and taking a winding road that leads up the mountain.

## Return Of Pahana

It wasn't nearly as creepy as I remember it being but it wasn't bad! They are messages and warnings.

## The Return of Skeleton Man

Molly endures a couple of creepy moments before discussing her feelings with her parents, who also feel watched.

## The Return of Skeleton Man

Relishing the taste of flesh, he also ate his family. Wonderful story - even though it's aimed at a juvenile audience, no reason they should keep it all to themselves. The results: It was more than 9,000 years old.
