History of the Trade Union Movement in Britain Part 4

Other rights were included, but five million workers in small firms were excluded from the legislation. Britain's big employers started employing US union-busting firms to block ballots for union recognition through the sacking of pro-union workers.

Trade unions in the United Kingdom

The was founded in 1860, and the spurred the establishment of the in 1868.

History of the Trade Union Movement in Britain Part 4

There was also talk of banning strikes in essential services. Sewell explains how this concentrated more power in few union leaders hands, which made the transformation of the union movement even easier.

The Cabinet Papers

An unexpected strike wave broke out in 1889—90, largely instigated by the rank and file. Women and trade unions: an outline history of women in the British trade union movement E.

Trade Unions in Britain Today

There was no clear drinking water, infant mortality was high and the average age of workers in Bolton was 18, Manchester 17 and Liverpool 15. Britain was still in an important global position and still had its Empire of 370 million people. Going beyond particular workplaces, the campaigning and work that do can help change laws in the whole country and gain new rights for workers.

GMB (trade union)

The starting in 1889 was a systematic outreach to bring in as union members the striking unskilled and semiskilled workers.
