His work typically features loners' explaining, to a rather silent listener, their views on the state of the world, often with reference to a concrete situation and sometimes reported second-hand by the listener. With its ruthless humour and wickedly funny, crepuscular pencil drawings, it had an anarchic, underground feeling, startlingly different from other children's books of the time.

Suppose he started writing and then caught a cold? Ultimately, reading *The Lime Works* is akin to visiting the actual lime works as described in the book, which is to say, stifling and generative of a strong desire to escape. He never wanted to take care of his son and refused to acknowledge his paternity. In addition to the unique perspective, the novel eventually unfolds in one long paragraph.
