### Doctor Zhivago (1965)

She tells him that they should get married right away, and he agrees.

### Theme of Novel Doctor Zhivago

He decides to talk with her, but finishes up some work first, and when he looks up she is gone. One step out of place—and the people closest to you will be condemned to suffer from all the jealousy, resentment, wounded pride and disappointment of others, and old scars on the heart will be reopened.

### Inside the Making of 'Doctor Zhivago'

Eventually, they are shoed into the room by the boarding house employees who are using the corridor. He inadvertently wanders too closely to Strelnikov's armored train on a nearby track.

### Inside the Making of 'Doctor Zhivago'

Young and beautiful Lara is loved by three men: a revolutionary, a mogul, and a doctor. Boris Pasternak's sprawling, complex, elusive novel is held together by its unity of style, by the driving force of its narrative, by the passionate voice of a poet who weaves a mass of diverse characters into a single tapestry. In the end Russia is too great to be destroyed by insane theories.
