Susan Haack

Aside from some ten years writing political commentary mainly for the Tribune 1852—1862, Marx had no regular income.

Foundation of Education

Events of truly global significance occurred from beginning to end.

The History of Sociology

When it was implemented in Russia as a result of the Bolshevik Revolution in 1917, communism resulted in a dictatorship that seemed in most respects much worse than the conditions that inspired it. Contemporary thermodynamics shows that such machines are impossible.

Philosophy of Education

In classical Freudian psychoanalytical theory, the term metapsychology is used in reference to the analysis of the dynamic instinctive, topological association with id, ego, or superego, and economic allocation of psychic energy aspects of mental processes. New Essays in the Philosophy of Education. Zur Vorgeschichte einer Logik der Philosophie 1.

Susan Haack

His major compendium, with Brunner and Conze, of the history of concepts of history in the German-speaking world is one of the major expressions of this work Brunner, Conze, and Koselleck 1972-97. It takes seriously the obligation of the historian to excavate the historical facts with scrupulous rigor, but it is not empiricist or reductionist. New York: Carlton House, 1932.

Philosophy of History (Stanford Encyclopedia of Philosophy)

Myth-making about the past is not only bad history and bad politics, it is morally deficient.

The Achievement of Wolfhart Pannenberg by Michael Root

A third important set of issues that received attention from analytic philosophers concerned the role of causal ascriptions in historical explanations.
