In Sewing Machine Magic, author and sewing expert Steffani Lincecum shares 30+ years of experience on how to handle a sewing machine with greater ease and confidence, and explains how to easily find and use the right presser feet and other accessories for your machine, whether you purchased it at retail or found it at a yard sale.

How machinery makers grow (1971 edition)

This idea further developed into seminars and to the foundation of an organizational committee and eventually to the establishment of the open-air Kakū tsūshin tento ten Communication of Imagination Tent Exhibition at the Shukugawa River banks in Nishinomiya in 1980, which included performances, workshops, and site-specific works. You'll learn the logistics of managing thread, how to achieve the proper stitch formation for every project, and how to troubleshoot a variety of common sewing problems. This work was reproduced from the original artifact, and remains as true to the original work as possible.
