Turn it into fine powder with a powerful grinder, and put the powder into empty gel capsules. The Chinese names, or the transliterated names pinyin should be used instead. These include tiger parts, such as Hu Gu tiger bone which is substituted by bobcat bone, and Chuan San Jia scales of the pangolin which has no animal-based substitute.

Cu dan zhi bai bing. (1990 edition)

One hour of brewing should be good enough. Chinese herbs do not grow in China only.

Cu dan zhi bai bing. (1990 edition)

Therefore, an herbal package of different herbs put together can deliver a much greater effect than a single herb of equal weight. The herbal solution will readily be absorbed by your body.

Chinese Herbal Medicine

Most taste bitter and earthy. On the other hand, the genuine Ling Zhi tastes bitter, but few consumers would know the difference, especially if the herb is mixed in a prescription and boiled together with other herbs. Then you drink one or two cups a day.
