Gandhi TODAY

Civil disobedience would begin with a few people from his Satyagraha Ashram, but others might choose to join. Gandhi decided to try mass civil disobedience in Bardoli, a county of 87,000, but news of how an Indian mob had murdered some constables reached him. Mahatma Gandhi and the Philosophy of Satyagraha

His father was a local politician, and his mother was a religious Vaishnavite.

The Basic Principles of Satyagraha

Nevertheless, a revised version of the law, substantively the same but exempting women, was enacted and implemented in 1907. Gandhi suggested a nonviolent army that could engage in constructive activities, lessen tensions, and sacrifice their lives to calm mobs and end riots. Gandhi agreed to support the Muslim Khilafat movement without requiring them to stop slaughtering cows.
