The future of Papua New Guinea: Old challenges for new leaders

Many Papuan languages are spoken, the most important being Huli, Mendi, Kewa, Wiru, Koriki, Kerewa, Oroko, and Toaripi. The majority of school leavers want the security of a formal job with a secure wage rather than working their land.

Law of Papua New Guinea

Therefore political independence as a justifiable explanation of the conflict is highly debatable. May, Bathurst NSW : Crawford House Press, pp.

Law of Papua New Guinea

After decades of effort building up a national public service, this move has transferred responsibility for improving living standards to politicians and provincial and district governments, with even less transparency and accountability standards than existed at the national level. The northern section of the country formed part of German New Guinea from 1884 to 1914 and was called Kaiser-Wilhelmsland.

Law of Papua New Guinea

Fiji: A democracy by military permission Fiji has only partially returned to democracy since the elections of 2014.
