In this way, it managed to attract the attention of national and international investors interested in buying properties for sale in Paraguay.

Paraguay International Travel Information

Flights: Most international flights have resumed, including from the USA as previously with a change in Panama or in another South American country and Europe. However, the rains in countries having a tropical or sub-tropical climate are irregular: weeks may well pass without rain, and then heavy showers or downpours can occur, maybe in a few days, releasing large amounts of water on the ground. Paraguay has lifted stay at home orders, and resumed some transportation options and business operations.

Paraguay and the IMF

Here are the sunshine hours per day in Asunción. Do not let such people inside your home unless you have contacted the service provider directly to verify the appointment.
