Democracy in America: Alexis de Tocqueville's Introduction

As Tocqueville had foreseen, these social tensions eventually exploded during the of 1848.

The Way We Were: Alexis de Tocqueville on Women and the Family

He returned within nine months and published a report, but the real result of his tour was , which appeared in 1835. According to Joshua Kaplan's Tocqueville, it was not always a negative development since bonds of affection and shared experience between children often replaced the more formal relation between the eldest child and the siblings, characteristic of the previous aristocratic pattern.

TOCQUEVILLE SOCIETY

He went as far as openly advocating between European colonists and through the implementation of two different legislative systems for each ethnic group a half century before implementation of the based on religion. The first volume was published forty-six years after the French Revolution. Individual Choice and the Structures of History — Alexis de Tocqueville as an historian reappraised.

Alexis de Tocqueville Quotes (Author of Democracy in America)

Tocqueville and the Old Regime. He is frequently quoted and studied in American history classes. For most of this passage, each paragraph elaborates a different thing that has contributed to the advancement of equality.
