Hikikomori

Instead of a zillion daycare kids around it was just me and my mom all day.

Japan's Shut

I even quit chess and stopped going to chess tournaments. I would like to join or start a like group of seniors. Teacher: Kenny, don't you want to go out and play? Sometimes bridges are burnt, other times we part ways with no hard feelings.

34 video games you've probably never heard of.

Learning to hide what you love and never outwardly show affection for things or people is a gradual thing, but this event definitely catapulted me towards a personality disorder. You may also want to contact your local Area Agency on Aging to find out if they can connect you with other local organizations that may be helpful.

What Do You Do at a Church Shut

Instead, we are going to use it only as a convenient placeholder to refer to a spectrum of individuals similar to, but not necessarily, like me.

I'm a shut

The real me had become so weird that I didn't dare act even a fragment of my real self. Berkeley, California: University of California.
