“Backpack Bash” will help thousands of El Paso County kids in need

The two organizations held a drive for school supplies in July, with collection bins located all across the county. Our team specializes in software development for businesses of all sizes.

Tri

Our full service print shop and copy center is second to none. Located southwest of Denver on the South Platte River, construction of the dam was begun in 1967 and was completed in 1975. The dam measures approximately 13,136 feet in length with a maximum height of 147 feet from the streambed to the top of the dam.

Colorado Wetlands regulations & environmental compliance analysis

The Corps leases 5,381 land and water acres to the State of Colorado Department of Natural Resources Division of Parks and Outdoor Recreation to operate Chatfield State Park.

These recreation areas are not operated by the Corps of Engineers, please click on the park name to go to its website. The 1,479-surface-acre

lake has a storage capacity of 27,046 acre-feet. We will announce weather delays and closures on our website homepage at the top and through our social media platforms tri-lakescares on Facebook, Instagram, and Twitter.

Colorado Wetlands regulations & environmental compliance analysis

Volunteers sorted supplies and stuffed the backpacks so that families could pick them up on August 1. Since that giveaway was such a success, it will take place on Saturday, August 8, between 9 a. Thank you for your interest in volunteering with Tri-Lakes Cares.

Penrose

They interact with clients, stock our food pantry, distribute grocery orders, process donations, pack Snack Packs for local youth, and contribute in many other ways to the success of Tri-Lakes Cares. Check out these videos on ways you can volunteer! As always, Bill, Kathy and the entire team will greet you personally and provide you professional service which will exceed your expectations.
