## Which Way Does Your News Lean?

Still, she sees one misconception among the people that encounter it: They think center means better. That seems to us a remarkably biased definition of bias. Politics, Groups, and Identities: 1—20.

## How biased is your news source? You probably won't agree with this chart

Finally, because of the increasing returns to scale in news production, small groups such as minorities are less profitable.

## 5 Statistics That Show Media Bias Is Real

Think the media are biased? Post ombudsman Richard Harwood took his own paper to task, noting the NOW pro-abortion rally dominated the front page, generating a dozen stories taking up 15 columns of space. Those who do not are marginalized or fired. This is not a good validation.

## Media bias

We do not say PolitiFact is biased therefore PolitiFact is unreliable.
