20 Amazing Photography Tips and Techniques

You can go beyond the basics of understanding of lighting, composition and exposure, you can expand your creativity with photography both in your camera and on your computer.

Creative techniques in photo

Doors Looking for interesting objects to photograph at home? I usually go into an interview with twice as many questions as I expect to ask.

17 Creative photography techniques ideas

Experiment with the exposure to get the results that you like.

17 Creative photography techniques ideas

If not, simply shoot a paparazzi-style whatever they do during the day in. Hit OK and watch the magic happens! We also get your email address to automatically create an account for you in our website.

Creative In

Not only is she very knowledgeable but her class was very well structured. Did you notice the light trails that made you subconsciously know it was moving at ultra-fast speed? You simply place your light source on the side of the model. Keeping your nice and clean is the key to a good photo.
