A Detailed List of Human Races That is Informative and Revealing

The invading Aryans took over the Northern regions and pushed them towards the South, where they have settled since. The Negro race is subdivided into sub races such as Aborigines, Melanesians, Negritos, Papuans, Dravidians, etc.

The races of man and their distribution : Haddon, Alfred C. (Alfred Cort), 1855

Would you like to write for us? Such difference of opinion stems from the fact that different people have different theories about racial evolution, and the particulars of mass migrations and resultant interbreeding make it difficult to trace a particular sub-sub-sub-sub till infinity race to any of the four classical racial categories. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.

The races of man and their distribution by Alfred C. Haddon

The metadata below describe the original scanning. The evolution of different human races is as old as the evolution of humanity as theorized by Charles Darwin. Would you like to write for us? The Mongoloid race include all those people who are classified under the sub races East Asian, North Asian and Native American.

A Detailed List of Human Races That is Informative and Revealing

. Please understand that it is difficult to attribute each minor sub-sub-sub till infinity race to any of the major, classical races, as there is still much controversy among anthropologists regarding the origin of each sub-race.

The races of man and their distribution by Alfred C. Haddon

We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing

commitment to the preservation of printed works worldwide. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc.
