## 50 Common Errors: A Practical Guide for English Learners by Bob Marsden, Paperback

In Spanish, the children were asked to write outlines of their proposed responses to a given assignment, which were corrected, then move on to the introduction, which was corrected, then on to the body of the argument, which was corrected, and so on, until they completed the assignment. Speaking of ELLs, Katie Hull Sypniewski and I will be leading a free Ed Week Webinar on April 28th on the topic of: Get great pronunciation so everyone understands you when you talk.

## 50 Common Errors: A Practical Guide for English Learners by Bob Marsden, Paperback

Here are a few suggestions for how you can use these pages to reduce these common mistakes. Identify and prevent common errors when speaking and writing English! Additionally, as older learners we often have errors related to literacy, not just speaking, increasing the number of mistakes we are likely to commit. If you make a few common mistakes, you can certainly correct those mistakes.

## Response: Effective Strategies For ELL Error Correction (Opinion)

Please feel free to leave a comment with your reactions to the topic or directly to anything that has been said in this post. Thanks to Anabel, Katie, Tracey, David and Yvonne, and to readers, for their contributions! Instead, they may forget what they were trying to say, or else they may simply avoid talking.

On the other hand, teachers should use formative feedback that identifies and helps students focus on specific aspects of their writing. How many lessons are there in the program? If teachers stop to correct grammar during oral interactions, emergent bilinguals do not improve. This is one of the most important theories to understand if you are trying to deal with error correction.
